¹ The Estimated Annual Cost for People Like You is what you can expect to pay out-of-pocket if you are enrolled in both the Original Medicare Plan and the specific Medigap policy. Note that the costs displayed here are for "regular" Medigap policies, not SELECT policies. Also, while some members of Medigap policies H, I, J and High Deductible J may still have prescription drug coverage through their policy, the estimated annual costs do not take into account prescription drug coverage.
